

VALUING ETERNAL REALITIES

INTRODUCTION

I'm using the word realities because the **word principles is foreign to many** – many have no principles.

- But every single one has his/her reality – **what we do is a reflection of our realities.**
- Sadly, these realities are **imposed upon us** by society and family backgrounds.

THE REALITY OF THE ONE WHO CREATED

Many of these realities **reinforce lies** that we are **2nd class** and even **3rd class citizens.**

- But the Bible says **"He made us kings and priests"** unto God in the order of Melchizedek and **"we shall reign on earth".**
- You ask yourself **why you are still at the bottom, beaten and defeated** – it's because you **see yourself with the eyes of your circumstances.**
- When you **still have self-pity** (about your background) you **can never move into dominion** – but you'll take **comfort in self-indulgence.**
- If you are going to rule in the midst of your enemies there **must be a shift of mindset** and **once you embrace eternal realities grace is activated.**

WORD OF THE DAY

The foundation for what I bring to you this afternoon is in **Hebrews 12** - for the sake of time, let consider the last two verses 28-29.

- **HEBREWS 12:28-29** "Therefore, since we are receiving a kingdom which cannot be shaken, let us have grace, by which we may serve God acceptably with reverence and godly fear. ²⁹ For our God is a consuming fire."
- Most of the things **we turn to embrace are being judged** by God (Heb 12:27) "Now this, "Yet once more," indicates the removal of those things that are being shaken, as of things **that are made**, that the things which cannot be **shaken may remain.**"
- We are in a season where **God is restoring his eternal order** - things that **are man-made** in the church are **being shaken and toppled.**
- The **time of doing as we pleased** in the church **is over** - **things and practices will last** are those **things that seek the will of God** - everything else is being removed.
- If there is anything that is **on top of my mind** is to serve my father **acceptably** to Him not to man or to myself.

I have no time for things that are pleasing to religion but are rejected by God.

A PROFANE PERSON OR CHURCH

The bible calls a person who despises eternal realities a profane person – I conclude that **a church that despises eternal realities is a profane church.**

- Heb 12:16-17 "lest there be any fornicator or profane person like Esau, who for one morsel of food sold his birthright. ¹⁷ For you know that afterward, when he wanted to inherit the blessing, **he was rejected**, for he found no place for repentance, **though he sought it diligently with tears.**"
- The word profane means **wicked** - despising eternal realities **activates loss of birthright** - You become **tail and not head** and **dominion eludes you.**
- Esau **despised eternal realities** and **chose temporal satisfaction.** God rejected him and called **"a prostitute and wicked person".**

- Though he was **first he became last**, why? **Because he was the son after the flesh.**
- Sadly, **many sons in the house** are after the flesh and **just like Cain** they struggle to serve God acceptably with reverence and godly fear.
- Today and **through this apostolic reformation** God **is plucking out** in His Church **the lust of the flesh** and the **valuing of temporal satisfaction.**

SET MAN OVER THE CONGRATULATION

One of the eternal realities is that **God has set a man over the Congregation** – father-son wineskin is an eternal reality.

- Many **love the institution** but **despise the setman principles** and 2nd man principles - because these **remove them from the spotlight.**
- In this season God is sending the Elijahs into His House to **“turn the hearts of the fathers to the children, and the hearts of the children to their fathers.”**
- Sons must **help their father and run with his vision** - **fathers must nurture the sons** and bring them to a place of spiritual maturity.
- Pastors must **humble themselves** and be willing to become Jehoiadas and **bring to the throne their Joash.**
- **Forget about yourself for a moment and how anointed you are** - **find a David in the City** and **help him ascend to throne** – this a demonstration of **a broken spirit, and a contrite heart** - **a worship that is acceptable to God.**

VALUING ETERNAL REALITIES ACTIVATES RULERSHIP

Before David could **have dominion over the giant** - he was **sent by his father to bring bread for his brother.**

- **True sons are the sent ones**, this is the eternal reality you need to value.
- David was the **last in the eyes of men but first in the eyes of God** - he was the son after the Spirit – **“a man after God's own heart.”**

Value of eternal realities and you'll see an activation of grace, revelation and blessings.

Joy and Peace be With You - Amen
